Brown couch has a recliner on each end of the couch. It's in very good shape. Must pickup on 8-25 or 8-26 by 11am. Otherwise they are both going to the dump. Bring 2 people as I can't lift anything too heavy.

Futon has a bent bar under the front of the bed. It still works as a bed and one zipper on the armrest pillow is broken.

Throw pillows are NOT included.
